- E. For the purposes of this pitching limitation rule, it is possible to have one (1) inning charged to different pitchers in the same inning. - F. Pitchers who have been removed from the pitching position and still have eligibility to pitch (have remaining innings they can pitch) will get five (5) warm-up pitches regardless of when they return to the mound to pitch

again.

G. Softball will use the National Federation of High School Rules for pitching in all grade levels. Refer to NFHS Rule 6 Section 1 Diagram 6 for proper positioning.

H. A pitcher removed from playing defense is allowed to return to the pitching position.

I. NFHS Softball Rules - Rule 8 Section 7 (Fast Pitch) Look-Back Rule (2009 revision).

ART. 2 The runner(s) may stop once, but then must immediately return to the base or attempt to advance to the next base.

ART. 3 Once the runner stops at the base for any reason, she will be declared out if she leaves the base.

ART. 4 Responsibilities of batter-runner after completing a turn at bat, and while the pitcher has the ball within the 16-foot pitching circle, including a base on balls or a dropped third strike are as follows:

- a. A batter-runner who rounds first base toward second base may stop, but then must immediately, without stopping, return to first or attempt to advance to second base.
- b. A batter-runner who overruns first base toward right field, turns left and immediately stops, must then return non-stop to first or attempt to advance to second base.
- c. A batter-runner who overruns first base toward right field, turns left and moves directly toward second base and stops is committed to second and must attempt to advance non-stop to second base.
- d. A batter-runner who overruns first base toward right field, turns left and moves back toward the infield in any direction except directly toward second base is committed to first and must return to first base.

PENALTY: (Arts. 2,3,4) The ball is dead. "No Pitch" is declared when applicable, and the runner is out. If two runners or more are off their bases, when one is called out, the ball is dead and other runners are returned to the last base touched. Only one runner may be called out. **EXCEPTION:** The runner will not be declared out if a play is made on another runner (a fake throw is considered a play), the pitcher no longer has possession of the ball within the 16-foot circle, or the pitcher releases the ball on a pitch to the batter.

J. NFHS Softball Rules - Rule 3 Section 7 Charged Conferences (2009 Revision)

ART. 1 Each team, when on defense, may be granted not more than three charged conferences without penalty during a seven inning game to permit coaches or their representatives to confer with a defensive player or players. In any extra inning game, each team shall be permitted one charged conference without penalty each inning while on defense. The number of

charged conferences permitted is not cumulative. A request for time for a conference may be made by a coach, player, substitute, or bench personnel. Time granted for an obviously incapacitated player shall not constitute a charged conference. A conference is not charged when the pitcher is removed as pitcher. This defensive team charged conference rule coverage is effective when the ball first becomes live at the start of each half inning. **PENALTY (Art. 1):** After three charged conferences in a seven-inning game, or for any charged conference in excess of one in each extra inning, the pitcher shall be removed as pitcher for the duration of the game.

ART. 2 Each team, when on offense, may be granted not more than one charged conference per inning to permit the coach or any of the team's personnel to confer with base runners, the batter, the on-deck batter, or other offensive team personnel. The umpire shall deny any subsequent offensive team request for charged conferences. The offensive team charged conference rule coverage is effective when the ball first becomes live at the start of each half inning. Time granted for an obviously incapacitated player shall not constitute a charged conference.

ART. 3 When either team has a charged conference, the other team may also have a conference which is not charged, provided the non-charged conference concludes when the opposing team's charged conference concludes, thus not delaying the game.

NFHS Softball Rules - Rule 6 Section 1 Art. 2 C. about the pitch:** The pivot foot may remain in contact with or may push off and drag away from the pitching plate prior to the front foot touching the ground, as long as the pivot foot remains in contact with the ground and with the 24-inch length. 1. It is not a step if the pitcher slides her foot in any direction on the pitcher's plate, provided contact is maintained.
2. Techniques such as the "Crow hop" and "the leap" are illegal (See 2-16 ; 2-33)

Rule 2 Section 16 Crow Hop: A crow hop is the replant of the pivot foot prior to delivering the pitch.
